

**3x3.EXE PREMIER cancels 2020 season and
plan to hold 3x3.EXE PREMIER 2020 CUP after summer**

3x3.EXE PREMIER announce today that we decided to cancel 2020 regular season (include Tokyo Playoffs) because the spread of coronavirus infection in all host areas have not converged. It's a very disappointing decision, but it is very important to protect the health and safety of 3x3.EXE family such as players, team owners, officials and our best fans. Also, due to immigration restrictions, it is difficult to hold a playoff (Tokyo) in September.

Total of Canceled Games: 1,196 Games (CTP, IND, JPN, NZL, THA)

- Men's Category (Round.1-8): 1,087 Games
- Women's Category (Round.1-4): 73 Games
- Playoffs Final: 36 Games (Men's: 31 Games, Women's: 5 Games)

However, the corona virus situation is changing in each country, and once the safety is confirmed, new competition, 3x3.EXE PREMIER 2020 CUP (3x3 Tournament by country) will be started for each country from this summer
